## **BROADWAY CONSTRUCTION UPDATE**

*Sidewalk Reconstruction Starts Wednesday, June 5*

Dear Broadway Neighbor,

On Wednesday, June 5 (weather permitting), the City's contractor, D'Allessandro Corp, will begin sidewalk reconstruction on Broadway between Norfolk St and Columbia St. We expect the work to take about 2 months to complete.

### **Project Schedule**

- Crews will install new sidewalks on the north (odd) side of Broadway, between Norfolk St and Columbia St. We expect the work to take about 3-4 weeks to complete.
- After this section of sidewalk is complete, crews will reconstruct the sidewalks on the south (even) side of Broadway, from Norfolk St to Columbia St. We expect the work to take about 3-4 weeks to complete.

### **What to Expect during Sidewalk Reconstruction**

- Broadway will remain open during sidewalk work.
- "No Parking" signs will be posted; please be sure to check dates/times.
- Pedestrian and vehicle access into properties will be maintained at all times, but may be restricted in certain ways.
- Emergency vehicles will have access at all times.
- City services will continue uninterrupted.
